SENIORS

Michael D. Shea, a member of the Class of 1982, died on September 5, 1981. Born and raised in Norwood, Michael attended Cleveland Elementary School, Norwood Junior High South, and was to enter his senior year at the Norwood Senior High.

Michael was enrolled in many art courses at the high school and his gift for art did not go unrecognized. During his sophomore and junior years he received awards from Regal Instant Press for outstanding achievements in art. Also, as a junior, Michael designed the cover for the program of the Senior Class Play and contributed his cartooning talents to the Fine Arts Magazine. The "99" Restaurant employed Michael to design promotional posters to display in their restaurant.

Michael was an interesting person and a friendly classmate, and to many, he was a special friend. His absence has been felt by all of us who share the memories of his hopes for these days of our senior year.

Student Council

Once again the Student Council had a very active and successful year. The Career Day Festival was an interesting and informative event with over seventy professionals and various celebrities participating in it. Norwood High School showed its spirit and support by getting "psyched up" on Spirit Day before the Walpole game. Other activities during the year included the Bloodmobiles, the Globe Santa fund raising drive, and the ever-popular Flower Day. The student council would like to express its appreciation to Mr. Usevich for his help in making all these events successful.

Key Club

The Key Club is an organization which seeks to provide service to the community and encourages leadership ability on the part of its members. This year's club was one of the largest in Norwood High history, with 95 registered members. Many loyal members participated in this year's activities. The year was started off by a pizza party for all members. A successful bake sale and car wash was held to fund the treasury. The Key Club conducted a Leukemia Society of America collection the weekend of December 13th. The drive took place at Schaffer Stadium; the Key Clubbers were rewarded with free seats at the Patriots-Buffalo game. A great time was had by all who went on the Key Club sponsored ski trip to Pats Peak, New Hampshire. Throughout the year members have been visiting Norwood Nursing Homes, and attending Kiwanis sponsored luncheons. Several members also participated in a Lung Association telethon for Easter Seals. The final Key Club activity was a Pine Street Inn project, where people contributed clothes and canned food. We would like to thank everyone who helped get us through this year. Good luck and best wishes to the new officers and next year's club.

Joe Pusateri, Unsung Hero Kevin Doherty, and Defensive Bone Award winner John Sullivan. The team would like to thank the entire staff for a tremendous season.

"Soaring higher than before — coming back to show you more." That is what the 1981-82 Mustang cheerleaders achieved this year, by building higher and bigger mounts and daring stunts. This year the moves were more dynamic and defined, however, with the power and the force WONDER WOMAN can't beat.

Coach Donna Glaser, and Captains Lynne LeBlanc, and Susan Francis led the super squad through Football, Basketball and the Competition (3rd place). Their spirit helped the mustang teams to win!

Third Row: Manny Lopes (coach), Richard Tolman, Tim Phalen, Stephen Hill, John Lodge, Mike Doucette.

Although the 1982 Boys' Soccer team was more spirited than previous teams, it was unable to win a game. The team was hampered by various injuries to key players, such as Mike Cassidy, Paul Hasenfus, and Jeff Grocer. Overall, the team lacked the necessary experience to play in the highly competitive Bay State League. The captains wish the Norwood Soccer Team the best in their endeavor to improve their record.

This year's field hockey team compiled their best record ever with 13 wins, 2 losses, and 3 ties. Under the leadership of Co-Captains Linda Medwar and Julie Panzetta, the team took third place in a very tough Bay State League. The highlight of the regular season was the blemishing of Walpole's unbeaten, untied record with a 1-1 tie game.

Because of its fine record, the team qualified for the E-Mass Tourney. They defeated Case High School with a score of 4-0, and after two complete games and two overtimes defeated Hanover 2-1. They then met Walpole. After one game and two sudden-death overtimes, the score was tied 2-2, and a stroke-off was taken. Here, Walpole's previous tourney experience showed as they went on to win it and the game.

The team had a super season and would like to thank Miss Burt for all her effort.

A rebuilding year best describes this past year for the Norwood High Golf team. Although the 3-6 record does not prove much, experience was the major achievement of the year. Right away the individual goals were put aside and the team was put first. Led by veterans Captain Jake Kelliher and Eddie Curley, the team maintained a respectable record. All of our acquired experience goes to Coach Frost whom we thank. Good luck to next year's team.

The Girls' Basketball team, captained by seniors Linda Medwar and Margaret Hansen and coached by Giles Parker, finished their season with a third place 12-6 record. The Mustang girls were hindered with several early season injuries but came back with a strong second half only to fall short of a tournament spot in a one point loss to Dedham. Congratulations to Trisha Brown, who was chosen for the BSL All-Star Team, and to the J.V. squad coached by Bill Riley, for their second consecutive first place win. The team wishes to thank coaches Parker and Riley and wish next year's team much success.

The Mustangs, under the dedicated coaching staff of Head Coach Martinelli and Assistant Murphy, and the leadership of Co-Capts. Kevin Cuff, and Tom Cronan, had an outstanding season. They captured the BSL Crown for the fifth time in six years with an incredible 7-0 record. The climax of the season came with the relay win over Dedham. John Dicalagero was a 300 yard State Champ and the relay team of John Sullivan, Dan McGuire, Jim Taggert, and Tom Cronan were also State Champions. The Mustangs placed second in both the State Relays and State Meet. The seniors hope that the returning team continues the fine performance of this year's team.

Ain't It the Truth

It's the Driver

It isn't the car that begins to whine
When forced to stop at an old stop sign —
It's the driver.
It isn't the car that will take a drink
Then quickly lose its power to think —
It's the driver.
It isn't the car that fails to heed
The dangers of reckless, discourteous speed —
It's the driver.
It isn't the car that steps on the gas
And causes an accident, trying to pass —
It's the driver.
A car may be bent and twisted awry,
But it isn't the car that will have to die —
It's the driver.

SMITH
COLLEGE

Listen, you're missing
The moments you'll treasure,
You'll see what I mean
Many years from now

The dark days, the suns rays
Seen through the curtain.
Outside the snow flies,
Another year is gone.

I've stepped on every tile in this floor.
I've walked through every single door.
I've done all that and so much more.
So much more you'll never see
I've left behind a bit of me.
A piece that no one else could be.

It's big, it's small, it's hardly here at all.
But it's mine and mine alone.
And for this I will be known.
Everybody knows what I have been.

I laughed here, I cried here.
I lived and I died here.
You're in me, I'm in you.
Exchange life for life.

Dreams die in sad eyes,
But I'm thinking,
Of times past, so fast
Spent here with you.

You can't live these years alone
God knows I've tried
I was lucky to have you there
Standing by my side

Without you this would have been
just a school
And years spent here
Would not be so dear

Between you and me we have a dream
and it's already coming true . . .

IMAGINE John Lennon

Imagine there's no heaven,

It's easy if you try,

no hell below us, above us only sky.

Imagine all the people living for today.

Imagine there's no countries,

it isn't hard to do.

Nothing to kill or die for,

and no religion too.

Imagine all the people living life in peace.

You may say I'm a dreamer,

But I'm not the only one.

I hope some day you'll join us and the world will live as one.

Imagine no possessiona,

I wonder if you can.

No need for greed or hunger,

a brotherhood of man.

Imagine all the people sharing all the world.

You may say I'm a dreamer,

But I'm not the only one.

I hope some day you'll join us,

and the world will live as one.
